I AM

the bread of life
the light of the world
the door of the sheep
the good shepherd
the resurrection and the life
the way, the truth, and the life
the true vine

JESUS is the ultimate satisfaction of our deepest hunger.

Jesus does this by showing us our true selves

Jesus does this by showing us his true self

JESUS does this by showing us our true selves.

Jesus helps the people see their true need...they have a hunger for life.

Jesus helps the people see their blindness...they don't understand the grace he offers.

JESUS does this by showing us his true self.

Jesus shows them that he is the ultimate bread that satisfies their deepest need.

Jesus shows them that his food satisfies the deepest hungers of the soul...eternal life with God.

Jesus shows them that the lasting hope of life comes from the Father and is freely given in the Son and is permanent.

JESUS is the ultimate satisfaction of our deepest hunger.

How did they respond?

How should we respond?
